

Application No. 10/685,159

Filed: October 14, 2003

REMARKS

Applicant submits herewith a preliminary amendment comprising a new listing of the claims. The original claims were numbered incorrectly such that there were two claims were numbered as claim 5. Applicant confirmed through telephone correspondence with Examiner Phu that both of the original claims numbered as 5 (now Claims 5 and 6) belong to Species I. The amendment corrects the claim numbering and the listing of the claims reflects that the claims of the non-elected species are withdrawn.

Respectfully submitted,
